Thanks for your help.

Dear Ren:

I appreciate the excellent documentation you have given us concerning the above named individual. This will be most helpful as we complete our file and refuse registration anywhere it may be attempted.

We would like a paper with Mr. Schoedinger's signature, if you have this available. This would aid in the identification process should he attempt registration in another location.

We would also like the outcome of the legal action, once it has been completed. This would then give us all the material necessary for the future.

FROM: Larry J. Leighton

RE: Child Abuse - Steven P. Schoedinger

Situation - On July 7, 1989 Herb Truax ([REDACTED]) called to report child abuse incidents that have occurred between Steven Schoedinger and [REDACTED] on multiple occasions during the last 7 months at a mini storage warehouse. He alleged that Schoedinger anally penetrated [REDACTED] age 16 and brother [REDACTED] age 14.

Additional incidents occurred when Schoedinger took one of the boys to a Pow Wow in Portsmouth, Ohio. They stayed overnight in a motel and Schoedinger did a complete massage of the boy's body.

Schoedinger is registered as a MC in Troop 354 and as a CM of Pack 153 in Scioto Valley District. He is active with the O.A. as well.

Action - The Franklin County Children Services [REDACTED] as immediately notified the same day by the Director of Field Service.

Investigation - Randy Walker [REDACTED] of Children Services conducted an interview with Mr. Truax and additionally with the 2 boys. He has found great substance to the allegation and has turned the case over to the Police - Juvenile Bureau ([REDACTED]). The police will conduct the investigation of sexual abuse.

Mr. Walker has recommended that Schoedinger not have any contact with children. He did relate that the incidents occurred on non-Scout time. However, the two boys have been active in Scouting. [REDACTED] - Troop 354 a past member and [REDACTED] - a current member of Troop 354.

Mr. Walker will be on vacation the week of 7/17. The Supervisor, Marvenna Twigg can be reached at [REDACTED].

Recommendation - That we immediately suspend the registration of Steven Schoedinger, prepare the suspension letter, inform and brief the Council President and heads of the 2 chartered partners involved, plus CC and SM of troop 354, plus key leaders of the Central Ohio Council and the BSA.

Because I will be on vacation, it is suggested that John Preston follow this with the details of the suspension.

Mr. Steven P. Schoedinger  
[REDACTED]

Columbus, Ohio 43206

Dear Mr. Schoedinger:

After careful review, we have decided that your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations that you may have with the Boy Scouts of America.

You should understand that BSA membership registration is a privilege and is not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not meet the high standards of membership which the BSA seeks to provide for American youth.

If you wish to have this decision reviewed by a council review committee, please write to me within 60 days of the date of this letter, explaining your version of the facts supporting your claim that your registration as a BSA member should be reinstated. The procedures for a review of this decision are attached.

Sincerely yours,

William E. Hickman
